Hi Fran,

Tomorrow we have the 9am meeting with the facility and WV DEP. I don't see in the site file that we have a copy of the two orders given by WV DEP, but we will request them at that time. Also we will have a meeting at 10am to go over removal/remediation plan for the future. So we can also update what the facility intends to do and is agreed upon by WV DEP.

Raj, Melissa:

Can you get a copy of the WV order for Robin?

Thanks,

Freedom Industries has informed us that even though they have filed for bankruptcy, they intend to continue to perform the work at the site.

, we obviously have an interest in making sure that they do not forgo their environmental responsibilities.

Do you want me to participate as well?
